my brain!!! \leftarrow

I need my brain for reality and to live out my passions. I need my brain to survive. It functions on basic survival instincts to help me breathe, eat, smell, sleep, etc. It just processes information differently. I think differently. I've always been different. A lot of people run away from my difference like it's the plague or something. Because of my brain that I think different, say words that make no sense to the neurological minds of others. My brain makes me smart brilliant imaginatively/creatively, but at all the while makes me suffer every day. Why did God make me this way? I feel wrong. I was born wrong. I'm told that I have the wrong perspective or think wrong ideas about my reality. I can't be consistent w/ anything since I left school. And since Syddied - ~~all~~ all my efforts feel meaningless cause I don't work enough, don't make enough, don't do enough. I can't sleep right. I can't eat right. My brain taunts me. My thoughts are an never ending Abyss. A DARK ONE. I'm not eating 3 meals a day like I'm supposed to. Not on the job search like I'm supposed to (arriph). I've been doing so well at preparing myself to die. I want to die. This life is so difficult for me to accept, people have trouble accepting me in their lives b/c it's difficult to understand. I'm just too different. I have to have friends like Nikki. She's all I have - to share everything and she doesn't isolate me. She keeps me. The closest thing to Nik was Syd. Syd kept me. When I did or could, she would comfort me. I knew what others would say, a word, she ~~was~~ ^{there} ~~was~~ ^{was} rare friend b/c she did see me as rare. It shouldn't be a problem getting up at 7 every morning. But unfortunately, for me, it is. I've missed several morning orders this week. I missed 3 today. Gosh, why?? I hate myself for not making myself get up. It's money going to someone else who actually works consistently + gets more consistent pay. Not me. The morrow of life is hollow. I swallow bones instead cause I'd rather die hard than try to live better life while suffering to do so. I ~~never~~ repeat my same patterns - can't sleep routinely, or eat, or stick to be more strict on myself. Do I really not give a fuck? I hate making up that I'm still here but no one gives a fuck if I am. ~~No one~~, I mean, no one will think my life meant ~~something~~ after I die. a faggot.

2/28/23

I looked behind this bastard & it was so disgusting
I lost my appetite. I felt sick looking at it. That
ugly flannel that looks ugly on it and its hair
was the nastiest, ugliest hobo head I've ever
seen on it.

This faggot is so goddamned ugly, and I'll
be damned I had to look at this miswable
fuck for 10 years. Disgusted with that like
disgusted being in a female body.

~~It~~ Makes me think about dying...

~~It~~ What is pure ugly, and then seen what is
pure beauty. She is the most beautiful girl that
I ever ~~laid~~ eyes on. No other woman has
touched my heart more than her. The times I
have seen her in person, how I feel like dying b/c
I ~~will~~ die to be apart of that kind of love. Love
amongst the rarest through my heart's desire.
But my heart knows that I can't be with her or
have any close connection. At least she would
be able to talk to me a couple seconds, look in
her eyes, look in mine and her hands that
are gentle of the touch - that's sweet. It makes
me shrivel ^{I shall} in this cocoon ^{much desire to rest + be released} and ~~transform~~ ^{can} be a butterfly transformed in another ~~transformation~~ ^{dimension}.
For all this time of shaking inside to her,
All my inner butterflies of her will fly away w/me. ~~See~~ ^{San},
A love ~~the~~ I never know... ~~Anders~~

3/2/23
(Feb.)

The 27th was a beautiful night, just like my brown girl. She looked so beautiful that night, I could not take my eyes off her. Call it lust or perversedness, I know who I am attracted to, and I can't unchange that. Its like my soul is spell bound to her spirit or something. It ~~was~~ ^{is} her personality; personable + the ways she connects w/ people makes her so likeable. Its why she has a whole team of supporters, and why she loved the way she is. I just wish I was more apart of it. So many ~~aspects~~ ^{needs} I love about her - physical + spiritual the two mingle perfectly together in harmony. Yes, she's just as beautiful with her heart than her body. But for the life of me I cannot help but gaze into her beauty; her arms, her back, her hips, her lips. Every part of her I desire to latch onto. So when her hand layed onto me after the show, its ~~like~~ ^{it's} being touched by an angel.

But my problem is living in hell. My mind + my body is a prison. Anything that triggers it, ^{it's} ~~only~~ ^{it's} makes it worse. She made history that night even if she was nervous and her ~~back~~ ^{back} felt clammy. Only natural to sweat with having a first live show, and she's still beautiful. She knows who she is, and all the rest of the world in time will too. She's famous to me; a star to many. Little ~~one~~ ^{ones} she know how we will soon share the same fate. She will live a legend and I will die a shooter - hopefully ~~to~~ ^{the} famous. No one will forget neither of us. She will be a blessing, and I will be ^{ing} horror to inflict pain.

I will
make it
too

Dear
Paige,
arent parents manipulative? Its total ignorance
when parents step in to try to change their child's
environment. Make them go to youth group + force
christian friends in their life because the old ones
were a "bad" influence. I can't fucking stand that
shit. Parents actually believe religion can change nature.
That could explain why I don't practice religion
anymore. Let kids think for themselves, listening
to parents does no damned good but to mold their
premade minds into a pre-formatted program: like
clone the ^{very} manipulative forms teens hate. And
kids are not robots, ^{rebel to}

we are the future! That's how its meant to be

My Imaginary Penis

3/11/23

My penis exists in my head. I swear to god I'm a
male. I think about sexual fantasies, about how if
my dick was real I'd fuck the girl I love in the ass.
I want to know what that's like, but I never will
because I was damned to be born this way. I swear
to fuck I hate it so goddamned. It's a fucking curse.
Having a brain like mine has its godliness but also prone
to making poor as decisions. Like putting my Aiden
name while filling out paperwork for instacart + new my
Bg check didn't clear + I'm possibly not going to get the job.
Fuck me, ^{mom} just says I'm young and young people
make mistakes. But with me, its ^{And then} ~~that~~ painfully more than
that. The ^{And then} ~~for~~ ^{being} raised a girl, and actually
believed I just had to deal with it, and tried to be feminine.
with being But that didn't last long after high school ended + no longer
withstand had to fear of being called a dyke or a fagot. I swear
and only until my early 20s I finally found the answer - that changing
was one's gender is possible. But on fucking no, not w/ my mother.
time What she believes, how she grew up conservatively and that
all LGBTQ+ especially transgender was an enigma, nearly non-existent
the ^{in her era} ~~that~~ I might have told her once I was ^{in child hood} ~~that~~ I was a boy when she made
me put my shirt back on a kid. But would say "you a girl,
and that's how you were born" Some kind of bullshit like that.
people I made me mad. Because being a boy as a kid was when I was
felt most like myself. A lot of lat chest made me free. Bill
prepuberty imprisoned me. And so does my mind. Puberty is
hell. The people in this world adds more bullets to shoot violent ^{stark} ~~that~~
into my head on auto. I hate parental views; now my mom
me as a daughter - and she'd not hear to want to lose that
daughter because a son would be the death of Audrey.

My Imaginary Penis

② Pain of losing a daughter? That's not pain, that's selfishness. Just like any rest of the parents with that mind set. They are all full of shit. How could they ever think of their own child suffering, and that they hate their gender so bad they cut + want to kill themselves. Fuck ~~my~~ parents like them who think of themselves first, and their preference of ~~conservative~~ conservative religion say shit makes them believe that the child they are given should stay that way. Even if transgender treatment ~~was~~ was discovered and tested during my time, I know how the situation would have turned out. My mother would not have payed a cent. Children who were able to successfully take puberty blockers and never enter a torched puberty, those little faggots don't know how good they fucking have it. I'd kill to have parents who could let their child be happy no matter how different it is to their viewpoints or don't agree, or scared of it. They are willing to listen to their children, not the other way around. I'd kill to have had those resources in 2007 was the birth of puberty blockers and a newfound ~~discovery~~ for treatment of non-conforming transgender children. 2007 was when I was when I was in the 6th grade. Puberty already hit me. The only reason I could conclude why it didn't bother me too much is that my boobs were small. I thought they'd stay that way forever. My autistic brain... change in body fucked ~~me~~ me over now, even if my boobs are still small for the most part. I was ~~shocked~~ in setting how underweight for my big boobs (my two tattoos, my lion froy) And there I was ~~thinking~~ thinking of porn and doing surgery on my boy stuffed animal, giving them penises b/c their middle looked like a vagina. No boy should ever have that. If I can't change my appearance, I can pretend how it would be by my imagination of child's play through my stuffed animal's spirits through me.

Toy sex (My Imaginary Penis.)

3/11/2 I can pretend to be them + do the things boys do experience. My boy self as Tony - my stuffed boy doll is like the boy I am in another form. I constructed for him a penis, then got out my girl doll named Ashley (who is Tony's life-long boyfriend). Ashley was represented as any dream girl. I wished to have her in real life, and Tony is me, having those intimate relationships w/ a beautiful girl. Tony is a boy, inside and out. Ashley is a girl inside and out. Two straight lovers who are in full nature of themselves by awareness. I let Tony fuck Ashley in the ass and stuffed Tony's big penis in aggressively into her ass hole. It took several attempts for Tony to put his dick into her vagina because he has a big dick (and was even bigger since he had an erection) finally went in and Ashley cried and moaned for a good ten minutes. Tony humped slow and steady from visual sex, in but sex, he humped speedily and hard. Tony grunting w/ all his strength. Then after I fucked Ashley for a good ten minutes (Tony is here). Then I let her suck his dick and touch his erected penis. After that they wrapped each other in their arms + legs as a sloth ~~climbed~~ hugging a tree. They ~~then sat~~ gracefully sat side by side nated holding hands, surrounded by the scattering of their clothes. I took pictures of their sex positions. My penis was hard for hours. Rock hard as a Flintstone. Hours making ~~the~~ cloth penises for my boy bears, only to realize I missed the gym cause they closed at 7. I was mad already cause I had no work that afternoon. Walked around the mall browsing ~~and~~ + shirts at Sepiens and got some ~~beats~~ for Tommy, my stuffed lion. I purchased some stickers at Zuni for my car and one sticker I got - A stripper booty illustration w/ "Dat Ass" on it. God, I am such a pervert. I waste too much time in my fantasies...

Soon I will leave this world; ^{you + your friends} ~~will be just fine~~. Does it even matter I am alive?

I will regret

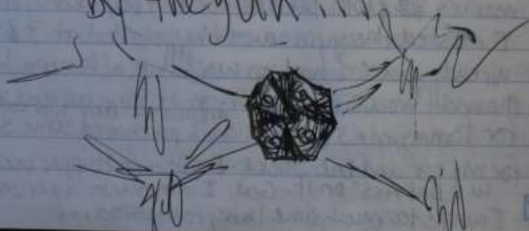

nothing

I regret

nothing in my death!!

No regrets

That #10 backpack that looked straight at me. Your picture hung up on the wall - you looking straight at me. How was I playing Syd? Am I better than I was? I feel stronger, my shot is more confident. I think of you shooting the ball as you did and pretending I'm in your shoes. I did feel that I was, they were my shoes but spiritually (since #2 + your name is imprinted on the back of the soul) - its our shoes.

So no wonder I felt you more in me - made me feel strong and my passion for ball. Your spirit is ever so close to me when I am surrounded by people, places, and ~~things~~ ^{objects} that were in relation to you. Its weird feeling knowing I never thought about things like this until you passed away. Ever since, my thoughts about death have altered significantly. I think about death every day + fascinated / curious with the idea of dying too much. I know its unhealthy, but I just don't care if this anymore. All this unknown about work. I know how unhappy I am with all the things I wish I could do. Its too late now. I'm ready to die.

3/14/23

I really should not drink more than (1) bud Light...

It put me in a funk ~~since~~ Since Sunday...

Damn Syd, I just want 2 hug you...

I thought About you ALL DAY SYD.

Anthony's living life best he can. I'm living while I can until its ~~too~~ time. That time is soon, and it needs to be. I've been crying about you all week so far. Anything I do what I love to do, it brings me back to you. McCabe Community center I've visited since last Saturday and my heart keeps pulling + tugging my mind to go back tomorrow and the next day, and so on. I hoped for an hour, worked out in the weight room for an hour + 20 min, then back to the gym to watch a basketball camp Anthony was coaching. He seems like such a natural teaching about ball just like you were. Patient, kind, but honest only to push his players mentally. Basketball is a more mental game rather than physical. "Basketball is a lot like life" was what stood out to me as Anthony spoke when camp was over. Mixed feelings. Not just about the boys playing, but the boys dunking and wishing I was able to do that. I watch the boys connecting + having fun w/ their friends, (reminds me being w/ you playing ball in middle school). One little boy was crying b/c 2 other boys were mean to him.

I watched the pain in his face, the tears in his eyes, the way he crumbled into a ball + dug his face in. Damn it reminds me just the kid I was doing just that. And there Paige was ~~so~~ so kind + good to me that I forgot what it was sad about. A black former ball girl spoke in a voice that sounded a little like yours. Another black girl who hung out at the center had the eyes + lips, braces similar to Paige's physical features, + even showed the personality similar to Paige. And the ~~black~~ backpack 1 boy had w/ #10 on it.

The coaches lifted the little white boy up + projected in my mind sure he was Paige. I saw the physical features + even showed the personality similar to Paige. And the black backpack 1 boy had w/ #10 on it.

I LOVE

3/23/23 - On my way to the range, and saw a billboard on suicide only ~~meters~~ away from Summer Gun & supply. I will use guns in my suicide. Then after the time in range (while cleaning my AR), a lady got rickshaded in the leg & ankle. I saw the emts working on her leg on the floor & they took her away on the gurney. Forshadowing on my own massacre? there was blood splatters on the floor. Police asking ~~questions~~ questions to the other ppl that were in the range.

On the way home, I look up at the sky, & parts of clouds peeking out sunlight like heaven shining down. Forshadow of my death?

Saw sunlight peeking clouds twice in a row this week. Are the angels telling Syd I'm gonna die soon?

The day has finally come,

I can't believe its here.
Don't know how I was able to get this far,
but here I am.

I'm a little nervous, but excited too.
Been excited for the past 2 weeks.

There were several times I could have been
caught ~~especially~~ in the summer of 2021.

None of that matters now. I'm almost an
hour & 7 minutes away.

Can't believe I'm doing this,
but I'm ready...

I hope my victims aren't.

My only fear is if anything goes wrong.
I'll do my best to prevent ~~any~~ of the song.
(God let my wrath take over my anxiety)
It might be 10 minutes tops. It might be
3-7. It's gunna go quick.
I hope I have a high death count.
